- 460 Members, 35,000 employees
  - 46 categories(Native Corporations, Construction, Drilling, Engineering....)
- Recent Data from Renewal Forms:
  - 86 Alaskan based companies
  - 7,260 total employees
  - 6,266 Alaskan employees
  - 86% resident hire

# Alliance Role in Alaska Hire

- Industry Relations
  - Working with current producers to ensure that our members understand their procurement process and are competitive
  - Facilitating meetings between our members and new companies in the Alaska market(Apache, Statoil, Linc...)

# AK DOL Data

- “a worker can be counted as a new hire for more than one employer during a quarter or over the four-quarter period”
- “users of new hire data are cautioned not to draw broad conclusions about net job growth trends based only on new hires.”
