To whom it may concern,

I would like to voice my opinion in favor of banning synthetic marijuana in Alaska. It's a very dangerous drug and it doesn't belong in our state.

I have seen what smoking this does to a person and it was a very scary experience. Vomiting, very intense hallucinations, and high heart rate just to name a few symptoms. I believe if I wasn't around during this episode this person very well could have died. I think it's just a matter of time before it does take someones life.

I hope Alaska follows in many other states footsteps and bans this substance.
