FISCAL NOTE

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. SB153

Analysis

This bill will provide an exemption/tax credit/refund/payment of liabilities on land leased for certain gas storage facilities, under certain criteria.

There would be a minimal amount of additional work for the Alaska Oil and Gas Conservation Commission (AOGCC) resulting from this bill and it could be managed with existing funds and staff members. Therefore, the AOGCC submits a zero fiscal note.
