FISCAL NOTE #4

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. CSSB 30(2d JUD)

Analysis

SB 30 would adopt a procedure for the owner of property to request the Office of Victims' Rights to investigate whether property in the custody of law enforcement should be returned to them. The Victims' Advocate may, after an investigation, request that a hearing about the property be held. This note is indeterminate because the department may be required to represent law enforcement agencies at the hearings proposed in the bill. At this time we are not sure how many of these proceedings will occur. The issues raised may be complex, particularly if defense counsel opposes the return.
