FISCAL NOTE

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. HB 316

Analysis

This legislation allows DMVA to designate up to five military effectiveness zones in rural areas in the state. With respect to AIDEA it permits the authority to provide financing in these areas which could be beneficial. AIDEA currently has the authority to invest in federal facilities, which can include military buildings. This legislation would create an incentive for such financing, but would not require the creation of new programs within AIDEA.

There is no foreseeable fiscal impact to AIDEA as a result of this legislation.
