## FISCAL NOTE

STATE OF ALASKA  
2012 LEGISLATIVE SESSION

BILL NO. SSSB 25

### Analysis

SB 25 adds legislative intent language to re-capitalize AIDEA with \$250 million for FY 13 and FY14 that would be used to fund a new loan and loan guarantee program to finance energy projects. This fiscal note represents the zero operating expenses required to administer this fund.

The bill accomplishes these goals by: (1) an appropriation of \$250,000,000 for FY13 and FY14 to carry out the agency's statutory purposes; (2) setting up a new loan fund in AIDEA; (3) making changes to AIDEA's general powers to add energy projects as a development goal; (4) amending AIDEA's powers so that it can make direct loans or offer loan or bond guarantees for qualified energy projects s; and (5) amending the definitional section of the agency's statutes to add and define the term "energy project".
