FISCAL NOTE

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. CSHB 216

Analysis

"An Act relating to deadlines in bills directing the adoption of regulations and to the informative summary required for the proposed adoption, amendment, or repeal of a regulation."

If a proposed bill will require regulations or result in a change to existing regulations, Section 1 would require agencies to state in the fiscal note for the bill a time by which the agency is to adopt, amend, or repeal the regulation. If the agency does not meet the deadline, it would set a new deadline and report to the Administrative Regulation Review Committee the new deadline and the reasons for not meeting the deadline that was established in the fiscal note.

Section 2 would require for a notice, posted on the Online Public Notice site or furnished electronically by a state agency, proposing adoption, amendment, or repeal of existing regulations, that a brief description accompany the notice and be written in clear, easily readable language that a person without a legal background is able to understand. The Regulatory Commission of Alaska, the Board of Fisheries, and the Board of Game would be exempt from Section 2.

No fiscal impact is expected as a result of Section 1. The fiscal impact resulting from Section 2 for future legislation is expected to be minimal. If the cost cannot be absorbed within an agency's budget, agencies will reflect this in the note for future legislation.
