FISCAL NOTE

STATE OF ALASKA
2012 LEGISLATIVE SESSION

BILL NO. SB006

Analysis

This bill defines elementary schools as kindergarten through grade eight and a prekindergarten program for students four and five years of age. The prekindergarten program must be optional.

This bill will allow districts to receive prekindergarten funding through the foundation formula provided the students meet the age requirement of four and five years of age before September 1 following the beginning of the school year, and are not funded by another source.

This fiscal note general fund appropriation was calculated by taking the most recent kindergarten enrollment , to represent a kindergarten cohort, and multiplying by the FY2012 projected average state aid per student.

Future eligibility for space allocations and capital improvement projects through the department's facilities programs are not analyzed in this fiscal note.
