## FISCAL NOTE

## STATE OF ALASKA 2012 LEGISLATIVE SESSION

BILL NO. H	1B316
------------	-------

## **Analysis**

The bill gives statutory authority to the Alaska Department of Military and Veterans' Affairs to establish "Military Facility Zones" (MFZ) within the State of Alaska which are designated areas in close proximity to a military base (facility) where industrial or economic development will directly enhance the base's ability to fulfill its mission. The MFZ includes zoning for residential use. A municipality in which a military facility zone is located or a military facility zone authority may receive financing for one or more projects from the Alaska Housing Finance Corporation.
The bill does not provide any additional advantage to AHFC's current ability to provide financing to municipalities or the military for housing development. It may prove advantageous to other entities. Zero fiscal note from AHFC for this bill.
