FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB 255

Analysis

HB 255 requires a law enforcement agency to adopt procedures regarding the use of unmanned aircraft systems. These procedures must include several parts, including that every flight of the craft be approved by the chief administrative officer of the agency.

The bill allows the use of evidence obtained from such a system under a search warrant or an exception to the warrant requirement.

The Department of Law does not anticipate a fiscal impact.
