FISCAL NOTE ANALYSIS #4

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. SB 139

Analysis

Repeal the HSGQE

The legislation changes the high school graduation requirement from passing a competency exam in reading, English, and mathematics to participating in a college and career readiness assessment.

Participation in the SAT, ACT or WorkKeys assessments will satisfy the requirement for participating in a college and career readiness assessment and will not require a minimum score to qualify for graduation.

The department will pay the fee for a single administration of a college and career readiness assessment for each secondary student in the two years prior to a student's graduation date.

The fiscal note is the result of the removal of the secondary student competency examination for students in high school. The new and continued fiscal impact that result from this legislation are : a) the cost of the ACT and SAT, and b) allowing former students who didn't pass the HSGQE the opportunities to continue participation and earn a public school diploma until June 30, 2017.

TVEP

In addition, the legislation continues the Alaska technical and vocational education program (TVEP) through June 30, 2024. The Technical and Vocational Education Fund authorized under AS 23.15.840 sunsets on June 30, 2014.

Out-year cost estimates are based on TVEP receipts included in the Department of Education & Early Development's (DEED) FY2015 budget request and will be revised on an annually based on the balance of the fund.

This funding is a grant from DEED to the Galena Project Education Vocational Training Center, currently \$434.5.
