House Bill 32
Sectional Analysis

Please note that this sectional analysis is provided as a summary only. The best source of information on the contents and effects of a bill remains the bill itself.

Section 1. Changes AS 43.70.020(a) to require one business license for multiple lines of business rather than one license for each line of business.

Section 2. Specifies that an individual may apply for one business license for multiple lines of business. Also requires the department to develop a form that allows the individual to list the multiple lines of business.

Section 3. Allows an individual to correct an error on the license once without additional charge.

Section 4. Provides for transition from multiple licenses to a single license.
