## MEMORANDUM

To: Representative Kurt Olson, Chair  
House Labor & Commerce Committee

From: Representative Mia Costello

Re: Summary of changes to House Bill 32 Ver. A by proposed CS 28-LS 0192\C

---

The following are the changes made to the original version of House Bill 32 (version A, work order 28-LS0192\U) by the proposed committee substitute (work order 29-LS0192\C).

To Section 1:

- Page 1, lines 8-9: Changes references to “line of business” to refer to “line or lines of business.” This change is made in order to clarify that the issued license covers all operations of the business in all lines of business in which the business operates.

To Section 3:

- Subsection (e) is rewritten to specify that a business license may be reissued at no charge to the applicant to correct errors made by the department. The applicant may also submit any other changes to their business license within 90 days of the original license issuance and have the business license reissued without having to purchase another license.
- No changes to subsection (f).

No changes were made to Sections 2 and 4.
