

Sec. 43.23.025. Amount of dividend. (a) By October 1 of each year, the commissioner shall determine the value of each permanent fund dividend for that year by

- (1) determining the total amount available for dividend payments, which equals
 - (A) the amount of income of the Alaska permanent fund transferred to the dividend fund under AS 37.13.145(b) during the current year;
 - (B) plus the unexpended and unobligated balances of prior fiscal year appropriations that lapse into the dividend fund under AS 43.23.045(d);
 - (C) less the amount necessary to pay prior year dividends from the dividend fund in the current year under AS 43.23.005(h), 43.23.021, and 43.23.055(3) and (7);
 - (D) less the amount necessary to pay dividends from the dividend fund due to eligible applicants who, as determined by the department, filed for a previous year's dividend by the filing deadline but who were not included in a previous year's dividend computation;
 - (E) less appropriations from the dividend fund during the current year, including amounts to pay costs of administering the dividend program and the hold harmless provisions of AS 43.23.075;
 - (2) determining the number of individuals eligible to receive a dividend payment for the current year and the number of estates and successors eligible to receive a dividend payment for the current year under AS 43.23.005(h); and
 - (3) dividing the amount determined under (1) of this subsection by the amount determined under (2) of this subsection.
- (b) *[Repealed, Sec. 5 ch 68 SLA 1991].*

Sec. 37.13.145. Disposition of income. (a) The earnings reserve account is established as a separate account in the fund. Income from the fund shall be deposited by the corporation into the account as soon as it is received. Money in the account shall be invested in investments authorized under AS 37.13.120.

(b) At the end of each fiscal year, the corporation shall transfer from the earnings reserve account to the dividend fund established under AS 43.23.045, 50 percent of the income available for distribution under AS 37.13.140.

(c) After the transfer under (b) of this section, the corporation shall transfer from the earnings reserve account to the principal of the fund an amount sufficient to offset the effect of inflation on principal of the fund during that fiscal year. However, none of the amount transferred shall be applied to increase the value of that portion of the principal attributed to the settlement of State v. Amerada Hess, et al., 1JU-77-847 Civ. (Superior Court, First Judicial District) on July 1, 2004. The corporation shall calculate the amount to transfer to the principal under this subsection by

- (1) computing the average of the monthly United States Consumer Price Index for

all urban consumers for each of the two previous calendar years;

(2) computing the percentage change between the first and second calendar year average; and

(3) applying that rate to the value of the principal of the fund on the last day of the fiscal year just ended, including that portion of the principal attributed to the settlement of State v. Amerada Hess, et al., 1JU-77-847 Civ. (Superior Court, First Judicial District).

(d) Notwithstanding (b) of this section, income earned on money awarded in or received as a result of State v. Amerada Hess, et al., 1JU-77-847 Civ. (Superior Court, First Judicial District), including settlement, summary judgment, or adjustment to a royalty-in-kind contract that is tied to the outcome of this case, or interest earned on the money, or on the earnings of the money shall be treated in the same manner as other income of the Alaska permanent fund, except that it is not available for distribution to the dividend fund or for transfers to the principal under (c) of this section, and shall be annually deposited into the Alaska capital income fund (AS 37.05.565).
