WRITTEN TESTIMONY

NAME:

Volanda de la Cruz

REPRESENTING:

Myself

BILL#/ SUBJECT:

SJR 9

COMMITTEE &

HEARING DATE:

Monday, February 3, 2014

I strongly reject SJR 9. I am strongly support Public Education. The governor Darnell and his followers (Legislators) want to implement their "Communism" into Alaskans, against their will.

These public servers need to start working for Alaskans, instead of pleasing themselves and their special interest.

We suppose to have "Democracy" in U.S.A. Where the democracy works are not in Syria, Egypt, Cuba, or Venezuela.

SJR 9 They want us to bring it into the slave.
