FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB 286

Analysis

The bill relates to the definition of “veteran” across a number of state statutes.

The bill would extend the definition of "veteran" to include veterans of the 1991 Gulf War and veterans who served on active duty beginning on September 11, 2001, and ending on the date determined under federal law as the last date of Operation Iraqi Freedom. The bill would amend relevant Alaska Statutes to include these more recent conflicts and incorporate by reference the corresponding federal statute related to veterans’ preferences (5 U.S.C. 2108) so that the state statutes would not need further updating when future conflicts arise.

With passage of the bill, the statute referencing AHFC which is AS 18.55.470 will include the expanded definition of “veteran” The change would have no significant impact on AHFC programs and operations.

AHFC does not foresee any additional significant cost impacts resulting from this bill.
