FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. SB 163

Analysis

This bill will require agencies providing vocational training, vocational rehabilitation, or employment placement of an individual to make it the agency's primary objective and preferred outcome to assist individuals with disabilities to become gainfully employed in an integrated setting.

Gainful employment of individuals with disabilities is already the objective of the Division of Vocational Rehabilitation and there is no fiscal impact to the department anticipated as a result of this legislation.
