FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2014 LEGISLATIVE SESSION**

BILL NO. SB159

Analysis

SB159 would allow air ambulance providers to offer air ambulance membership agreements if certain criteria is met by the provider.

SB159 would amend AS 18.08 to add the following new sections /chapters to regulate air ambulance services in Alaska:

AS 18.08 - An Air Ambulance Service company may not deny such services to anyone on the basis that the person is not covered under an air ambulance membership agreement for protection of consumers to assure access to emergency service.

AS 21 - Chapter 61 added to define air ambulance membership agreements, describe registration of air ambulance membership service providers, other applicable provisions, regulation adoption authority and to provide definitions of terms.

The Division of Insurance does not anticipate SB159 will result in any financial impact to the Division.
