SOA-DCCED
DIVISION OF INSURANCE
JUNEAU OFFICE

Dear Mr. Eroe,

We have reviewed the materials you provided and conclude that under Alaska's current insurance laws you may offer the subscription membership program as **described**, with two caveats. First, Airlift Northwest must remain certified under Alaska Statute 18.08.082. Second, we do not approve of the "lifetime memberships." With fluctuations in fuel prices and other vagaries of the economy, we do not believe that consumers should be put at risk that the services for which they paid may not be available for a lifetime.

If you have any questions, please do not hesitate to contact me.

Sincerely

Linda S. Hall
Director
