SPONSOR STATEMENT SENATE BILL 106

Senate Bill 106 creates a new preference right for individuals holding a state lease to purchase the land before the State conveys the land to a municipality. In order to obtain a preference right, the individual must have invested in the land, erected a building on the land, and derived at least 25% of their total income from the land over the previous ten years. This preference right to purchase is without competitive bid, and the land shall be sold to the applicant at a fair market value.

I encourage your support on SB 106.
