

## Attachment 3: Fast Facts

# 1 to 1 digital initiative transforms teaching & learning

## ▶ Acceleration

- Demonstrated potential for student gains
- Dramatic increase in learning resources
- Access to global coursework

## 🎓 Personalization

- Individualized learning creates independent learners
- Increased student engagement
- Real world job skills

## \$ Value

- Cost containment
- Includes teacher professional development and IT support
- Reduced operational expenses

# Why 1 to 1?

1. HD6 iPad project resulted in 2.5 times expected learning gains
2. Thousands of interactive apps, multimedia content and simulations available
3. Enables distance delivery and opens access to worldwide coursework
4. Studies show increased student engagement and attendance, and decreased behavior infractions
5. Enables deeper and richer learning in all content areas
6. Opens door to reduced costs in operational areas
7. Creates economy of scale for equipment, professional development and services.
8. Honors local control in vendor and curriculum choices
9. Dramatically drives school change now and in future
