FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB232

Analysis

House Bill 232 would require the Administrative Director of the Alaska Court System to provide to judicial officers and employees training in recognizing persons with disabilities, appropriate interaction with a person with a disability, and resources available to persons with disabilities. The court system anticipates that it can provide sufficient training to meet the requirements of the bill through its existing judicial training and clerk training programs, as appropriate.

The court anticipates that it can do this with no fiscal impact, and therefore submits this zero fiscal note.
