FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2014 LEGISLATIVE SESSION**

BILL NO. HB 203

Analysis

The AlaskaCare health plans do not fall under the definition of "health care insurer" in AS 21.54.500(17). Therefore, there is no fiscal impact to AlaskaCare health plan nor the Division of Retirement and Benefits.

HB203 amends AS 21.54.020(a) and directs health care insurers to pay out-of-network providers with a check made out to both the provider and the covered person as joint payees. This would require both the provider and the covered person to endorse the check before it could be processed. Typically, health care insurers first process claims through the provider paying the provider the covered amount for the procedure and the provider then seeks addition reimbursement, if any, from the covered person directly.
