FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. SB 206

Analysis

This bill will amend a number of statutes to create efficiencies at DMV. The amendments will permit DMV to notify vehicle owners of registration renewal by electronic mail, waive the \$10 service fee for online registration renewal, allow customers to renew their driver license over the Internet if they meet the required criteria, and permit law enforcement agents and the public to submit vehicle accident reports electronically.

This bill will also require a person applying for a school bus license to submit information about where they have resided for the previous 10 years before application and changes the period after conviction for most offenses in which an applicant is disqualified from obtaining a school bus license from 20 years after conviction to 10 years.

This bill has no fiscal impact on the DMV.
