WRITTEN TESTIMONY

NAME: Kate Veh

REPRESENTING: _____

BILL # or SUBJECT: HJR1

COMMITTEE & DATE: HEDC 022213

Dear Alaska Representatives;

Please vote "NO" on HJR1, (proposing amendments to the Constitution relating to state aid for education. I do not support changing the AK Constitution. For practical reasons, I believe it's necessary to keep religion & state separated. I am also concerned if you should choose to fund religious schools, then you'll have to be open to funding EVERY religion, including Judaism, Islam, Baha'i, Hinduism, Native American spirituality, Buddhism, Shamanism, Paganism, (in addition to Christianity) etc., etc., etc.

Thank you!

Sincerely,
Kate Veh
