## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2014 LEGISLATIVE SESSION

BILL NO. HB 378

### Analysis

HB 378 will bring the State of Alaska into compliance with federal regulations and mandates that go into effect July 2015, which include:

- Expanding the definition of an "out of service order" to include the driver, carrier, and commercial vehicle;
- Allowing DMV to refuse to register a vehicle if the owner is prohibited from operating by state or federal authorities;
- Requiring that commercial instruction permit applicants be 18 years old, and instruction permits will be valid for 180 days with a renewal option of 180 days;
- Clarifying that instruction permits may not be issued for more than two years and may be renewed one time;
- Providing that DMV may issue a permit to someone that already held that class of license if more than 5 years have passed;
- Clarifying registration fees and motor vehicle taxes on noncommercial vehicles;
- Permitting DMV to disqualify a commercial instruction permit or license for certain offenses;
- Adding texting to the list of serious traffic violations for which a CDL license or permit holder could be disqualified.

This bill has no fiscal impact on DMV, but with passage, puts the state in compliance with federal regulations and ensures continued distribution of federal highway funds. Therefore, a zero fiscal note is submitted.
