MEMORANDUM

February 18, 2013

TO: Senator Mike Dunleavy
Chair, Labor and Commerce

FROM: Senator Bill Wielechowski

SUBJ: Memo of Changes for Senate Bill 4

The following change was made by the Senate State Affairs Committee:

- SB4 grants the boards the ability to issue a temporary license or certificate for 180 days. However, based on concern from the committee on page 2, lines 19-21 of version U, additional language was removed which would have allowed the board or department to extend the temporary license at discretion of the board or department for an additional 180 days.
 - Page 2, line 18: A temporary license or certificate issued under (b) of this section is valid for 180 days. Deleted language: "may be extended at the discretion of the department or applicable board for one additional 180-day period if the holder of the license or certificate applies for an extension on a form approved by the department or applicable board."
