**In July 2013, after receipt of \$600,000 for the first year of the proposed three-year project, Partners for Progress, the Alaska Native Justice Center (ANJC), and Nine Star Education and Employment Services worked together to open Partners Reentry Center (Center) in August.**

**We operate in collaboration with the Department of Corrections (DOC), receiving many participants directly after they released from prison. Most of the others are on referral from half-way houses under contract with DOC. There are also some walk-ins.**
