FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2013 LEGISLATIVE SESSION**

BILL NO. HB109

Analysis

Two signs would be required for this bridge, one to face the approaching traffic on each side of the bridge. Each sign measures 24" tall x 54" long.

The installation will necessitate relocating the existing Game Management Entering/Leaving signs currently sharing the posts with the Kasilof River guide signs. The estimate includes new posts for both sign installations, due to increased sign area.

Cost of material for both signs is \$2,825.
