9 "**\* Sec. 61.** The uncodified law of the State of Alaska is amended by adding a new section to  
10 read:

11 **STUDY AND REPORT ON OIL AND GAS PRODUCTION INCENTIVES.** The  
12 Department of Revenue shall study the effect of providing a reduction in the gross value at the  
13 point of production for oil and gas produced in the state south of 68 degrees North latitude  
14 that is similar to the reduction in gross value at the point of production in AS 43.55.160(f) and  
15 (g), as amended by secs. 48 and 49 of this Act, for certain areas north of 68 degrees North  
16 latitude. The study must take into account the unique economic circumstance of each  
17 producing area south of 68 degrees North latitude, and estimate the additional production that  
18 could be achieved by authorizing a reduction in gross value at the point of production. Before  
19 January 15, 2017, the department shall deliver a report to the legislature that includes the  
20 results of the study and a proposal to create an incentive for oil and gas production south of 68  
21 degrees North latitude in the form of a reduction in the gross value at the point of production  
22 or by other means."
