Dear members of the Alaska Senate and House of Representatives.

I was surprised and amazed to learn about the changes proposed for the Judicial Council. This council was carefully designed in our Alaska Constitution; it works. It is not broken, don't fix it. I urge the immediate defeat of these proposals.

Sincerely,
Carl S. Benson, Ph.D.

SJR 21 and HJR 33

We do not need to inject corrupt political views into Alaska courts like the lower 48 has done. I strongly urge you oppose each of these resolutions amending to our constitution.
