Hello, my name is Chris Umbs and I've been with the Alaska State Troopers for 16 plus years and before that I was in the US Army for 10 years. I was informed by my PSEA union rep that HB 116 is being held up in your committee, even though you told the rep you had no problem with the bill last year. Is there a reason this bill is being held up? I feel that this bill is a nice recognition and is deserving for my fellow law enforcement officers that have also served our country in the military.

Thank you for your time.
