Subject: SB108

Please oppose SB108.

Once public, should always be public, regardless of the outcome.

"Alaska's freedom of information act, AS 40.25.110, promotes the general principle that public records should be open to public inspection and government operation should be transparent."

Taylor Winston

Executive Director of Alaska Office of Victims' Rights and a former state prosecutor.

Thank you for your consideration and doing what is best for all Alaskans.
