### Sectional Analysis HB 75

- 
- |           |  |
|-----------|--|
| Section 1 | Lists the types of organizations eligible to apply to the Pick.Click.Give. program.  |
| Section 2 | Details eligibility requirements for application to the Pick.Click.Give. program, including 501(c)(3) tax exempt status, filing a form 990 with the IRS, and requiring a financial audit by a certified public accountant. The audit will only be required by organizations that already must file an audit with the federal government. |
| Section 3 | Requires a \$250 application fee for administration of the program. All organizations would be required to pay the fee, including each campus of the University of Alaska.   |
| Section 4 | Allows the University of Alaska to list each campus, but only requires it to list the main three campuses.   |
- Adds an application fee for coordination of the statewide outreach of the program. The 7% fee will be withheld from each organization's distribution and placed in a separate fund.
