

## SB 166 Board of Nursing

### Explanation of changes from Version R to Version H

These changes made in Senate Finance Committee on 3/27/14, per Sen. Giessel office

- Page 1, lines 11-12

Adds wording in the section on the Nurse Educator seat to require the nurse educator be engaged in nursing education at an institution that holds national nursing accreditation.

- Page 7, line 15. Adds a new sentence as follows:

“The requirement for an employer to report under this section applies only to an action that would be grounds for a denial, suspension or revocation under AS 08.68.270 , AS 08.68.334 and AS 08.68.340

- Page 7, Line 27 – Page 8, line 21 on Version R:

**Deletes** this new language on whistleblower and revert back to what is currently in statute. So Version H shows no new whistleblower verbage.
