

**City of Nenana
Resolution 2013-03**

**A Resolution Supporting the Legislative Efforts to Construct a Natural
Gas Pipeline From the North Slope to South Central Alaska**

Whereas the development of an in-state gas pipeline is in the best interest of the State of Alaska, AND

Whereas known reserves in Cook Inlet are insufficient to supply the demand for natural gas in South Central Alaska in the future, AND

Whereas the Interior area of Alaska is in dire need of a means to lower energy costs in both short and long terms, AND

Whereas an Alaska natural gas pipeline project will provide a long-term affordable and clean energy solution for the majority of Alaskans and Alaskan businesses, AND

Whereas House Bill 4 includes the necessary provisions and solutions to forward a successful Alaska natural gas pipeline project.

Therefore be it resolved that the Nenana Assembly supports Legislative efforts to fund AGDC in order to continue moving forward developing a project to construct a natural gas pipeline.

Adopted by a duly constituted quorum of the Municipal Assembly on the 14 day of February 2013
