## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2013 LEGISLATIVE SESSION

BILL NO. HB 105

### Analysis

HB 105 raises the amount or value of property under the theft laws that are the thresholds between felony and misdemeanor theft, and between class A misdemeanor theft and class B misdemeanor theft. For example, under current law, the threshold between class C felony theft and class A misdemeanor theft is \$500. HB 105 would raise this to \$1,500. It makes these changes to the various types of theft, including issuing a bad check and fraudulent use of an access device.

It is anticipated this legislation will have no fiscal impact on the Department of Law.
