Subject: HB 80, SB 29 - No to pollution from cruise ships

Dear Senators,

Respectfully we ask that you not allow mixing of Alaska's clean offshore waters with cruise ship dumping. Alaskans deserve better than this SB 29 and HB 80. We addressed this issue a few years ago. Gov. Parnell is hurting Alaska by allowing this to occur. We say no to pollution - the solution is not dilution. thank you,

Diane and michael McBride
