FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2013 LEGISLATIVE SESSION**

BILL NO. SB 69

Analysis

This bill provides for the Chinook Research and Restoration Endowment Fund to be established as a separate account and managed by the Commissioner of Revenue. This fiscal note assumes a fund balance of \$50 million in order to estimate costs and therefore the total earnings of the fund for the previous fiscal year may be appropriated to the grant account in the general fund (per Sec 37.14.660 (a) (3)). Services expenditures represent the incremental external management fees for managing this fund, to achieve the 5% real rate of return (per Sec 37.14.650 (b)). Note that this bill establishes that the grant fund, an account fund to be established in the general fund, will pay for the costs of establishing and managing the fund which will include the services expenditures above as well as its share of other Treasury costs as identified through the Treasury cost allocation plan.
