FISCAL NOTE ANALYSIS #1

STATE OF ALASKA  
2013 LEGISLATIVE SESSION

BILL NO. CSSB 4(STA)

Analysis

SB 4 would require the department or board to accept relevant experience, training, or service acquired while serving in the armed forces for professional licensing. The bill would allow greater flexibility for those exiting military service to become temporarily licensed in Alaska.

Travel costs of 107.6 are to meet the December 31, 2013 effective date and would require eleven affected boards to schedule additional meetings before October 1 in order to meet the requirements of this bill. It is expected that each of the affected boards will need two meetings to deliberate the topic, confer with content experts including the Department of Defense, draft and approve regulations before the public comment period, and consider public comment before approving final regulations. This fiscal note reflects the travel costs for board members and staff to travel to these meetings. The department will make every effort to schedule additional meetings via teleconference when feasible.

Services of 30.0 include additional funding for facilitation and drafting of regulations by the December 31 effective date.
