FISCAL NOTE ANALYSIS

STATE OF ALASKA
2013 LEGISLATIVE SESSION

BILL NO. SB 73

Analysis

This bill would amend existing statutes regarding mandatory exemptions for senior citizens and disabled veterans by adding widows or widowers of a person who was killed while in the military service of the United States as eligible participants.

Existing statutes require the state to reimburse a borough or city for the real property tax revenues lost to it by the implementation of tax exemptions. If passed, this additional exemption would also be reimbursable by the state. However, statutes provide that if appropriations are not sufficient to fully fund reimbursements the amount available shall be distributed pro-rata among eligible municipalities. The state in the past has not fully funded reimbursement for existing municipal tax exemptions.

There is no anticipated fiscal impact to the Division of Community and Regional Affairs from this bill.
