Dear Honorable Representative Gabrielle LeDoux:

We here at SGU Veterans and Families Development of USA, Inc. Headquarter located in Saint Paul, Minnesota. We are writing you this letter in appreciation for your hard work and dedication in supporting our Veterans, and giving us Hmong-Americans an equal opportunity to recognize our people who have served with the United States military operations during the Vietnam War in Laos.

In regards to the HCR 4 bill resolution to honor the tens of thousands of Hmong-American Veterans we are very grateful that it has passed in the Alaska State House of Representative on March 18, 2013 and proclaiming May 15 to be Hmong-American Veterans Memorial Day.

Our organization SGU Veterans and Families Development has an Alaska Chapter Chairman in Anchorage for the State of Alaska representing all the Hmong-American Veterans. His name is Steven Yang. If you have any concerns, comments, and or questions please contact us here at headquarter directly.

Respectfully Yours,

Chue Chue Tchang (Former Captain)

National President of SGUVFD of USA, Inc.
