FISCAL NOTE ANALYSIS

STATE OF ALASKA
2013 LEGISLATIVE SESSION

BILL NO. HB 187

Analysis

HB 187 modifies how the Department of Commerce, Community, and Economic Development may establish licensing fees for professional licensing programs under Title 8. This bill allows for the consolidation of program fees, averaging program revenues and expenses over multiple biennial licensing cycles, and for appropriated funding sources to be used in determining whether the total amount of fees approximately equal the actual regulatory costs for a licensing group.

Consumer protection benefits all Alaskans. This fiscal note provides for a sharing of enforcement costs to protect the licensees and the public. In FY12, the Department spent 2,566.3 for licensing enforcement. The Department proposes investigator personal services costs of 1,746.6 be covered by general fund. The Division programs will continue to pay for legal, expert witness, and hearing and mediation costs associated with investigative activity.

Regulations are required to implement the licensing fee changes by January 1, 2014.
