**FISCAL NOTE ANALYSIS**

**STATE OF ALASKA  
2013 LEGISLATIVE SESSION**

**BILL NO.** HB 84

**Analysis**

HB 84 would require the department or board to accept relevant experience, training, or service acquired while serving in the armed forces for professional licensing. The bill would allow greater flexibility for those exiting military service to become temporarily licensed in Alaska.

The CS to HB 84 extends the effective date of this legislation an additional year, to December 31, 2014. The Department believes all necessary deliberation by boards, commissions, and the division to determine “substantial equivalency” of military training and adoption of subsequent regulations can be accommodated within the existing meeting structure. Therefore, the funding for travel and regulations projects requested in the previous fiscal note is no longer required.

There is no anticipated fiscal impact to the Division of Corporations, Business and Professional Licensing from this legislation.
