FISCAL NOTE ANALYSIS

STATE OF ALASKA
2013 LEGISLATIVE SESSION

BILL NO. HB 178

Analysis

Passage of this legislation would reduce the offense level for possession of small amounts of certain controlled substances from a class C felony to a class A misdemeanor. At this time, data is not available for the Department to calculate the number of offenders who would be sentenced as misdemeanors under this legislation. The Department will continue to monitor the potential impacts of this legislation.
