 12 PRODUCTION AND DISTRIBUTION FACILITIES. (a) The Alaska Industrial
 13 Development and Export Authority, through the sustainable energy transmission and supply
 14 fund established in AS 44.88.660, may provide financing up to a maximum principal amount

 17 affiliated infrastructure on the North Slope and a natural gas distribution system and affiliated
 18 infrastructure within the Fairbanks North Star Borough.

19 (b) As a part of the financing authorized in (a) of this section, the Alaska Industrial
 20 Development and Export Authority may issue bonds under AS 44.88.090 that are secured by
 21 a capital reserve fund established under AS 44.88.105. Notwithstanding AS 44.88.105, in
 22 establishing a capital reserve fund for the bonds, the authority is not required to determine that
 23 the capital reserve fund is necessary to enhance the marketability of the bonds. The capital
 24 reserve fund shall be managed by the authority as provided in AS 44.88.105. The principal
 25 amount of the bonds authorized in this section may not exceed \$150,000,000 plus the cost of

 5 rate to be paid on the bonds, plus an allowance that the authority shall establish for its
 6 administrative expenses; however, the allowance for administrative expenses may not exceed
 7 25 basis points. Notwithstanding any contrary provision of law, the interest rate limitations of
 8 this subsection supersede and replace any other requirements of law regarding the interest
 9 rates that the authority may charge for the financing authorized in (a) of this section.

10 (d) The authorization of (a) of this section constitutes legislative approval for the
 11 authority exceeding the limitations of AS 44.88.690 in providing the financing approved in (a)
 12 of this section. In providing the financing authorized under (a) of this section, the authority
 13 may waive any limitations or requirements of its regulations that are otherwise applicable to
 14 the sustainable energy transmission and supply fund.

15 (e) The bonds authorized by this section may not be considered in calculating the
 16 authority's bonding limitation for a 12-month period under AS 44.88.095(a).

17 (f) The authorization to issue bonds this section grants expires as of June 30, 2018, if
 18 not utilized by the issuance of bonds before that date. Expiration of the authorization to issue
 19 bonds does not affect bonds that the authority issues under this section prior to July 1, 2018.
