

# THE ALLIANCE

...for responsible development of Alaska's Oil, Gas & Mineral Resources

## Resolution 02-13

WHEREAS, the Alaska Support Industry Alliance was established in 1979; and

WHEREAS, the Alliance represents more than 500 businesses who employ more than 35,000 workers in the State of Alaska; and

WHEREAS, the Alliance mission statement is to promote responsible exploration, development and production of oil, gas and mineral resources for the benefit of all Alaskans; and

WHEREAS, the Alaska Stand Alone Pipeline (ASAP) is an opportunity to develop and produce Alaska's natural gas resources for the benefit of all Alaskans; and

WHEREAS, the ASAP project utilizes a risk-based, phased and gated methodology which employs a disciplined approach towards project development and allows for appropriately timed exits to ensure accountability and fiscal responsibility, and

WHEREAS, House Bill 4 makes the Alaska Gas line Development Corporation an independent public corporation of the state, with the correct authority, autonomy, and responsibility to execute the legislative priority of bringing affordable natural gas to Alaskans.,

NOW THEREFORE BE IT RESOLVED; the Alaska Support Industry Alliance supports HB 4 in its current form.
