Alaskans Deserve Fair and Impartial Courts

**The genius of our Alaska Constitution is to keep politics out of
judicial selection and retention.**

Now, an outstanding Alaska judge is being unfairly targeted — in a last-minute attack timed to deny him an opportunity to respond.

The Judicial Council, created by our constitution, and required by law to evaluate judicial performance and to make recommendations to voters, recommends:

Vote YES on Judge Sen Tan

For non-political information about judges, go to

Paid for by the Alaska Judicial Council, 1023 W. Third Ave., Anchorage

Alaskans who most often appear in his courtroom tell us that Judge Tan is one of our best judges.

The Alaska Judicial Council asked thousands of Alaskans to rate Judge Tan's performance. Those who appear most frequently before Judge Tan rated him from "good" to "excellent." Attorneys and court employees rated him among the highest of all superior court judges on the ballot. Advocates for Alaska's abused and neglected children gave Judge Tan a rare perfect 5.0 rating.
