February 5, 2013

The Honorable Governor Sean Parnell
P.O. Box 110001
Juneau, AK 99811-0001

Dear Governor Parnell,

On behalf of the Alaska Travel Industry Association (ATIA) Board of Directors, I wanted to forward you the attached resolution in support of Senate Bill 29 and House Bill 80. This proposed legislation will allow the Department of Environmental Conservation (DEC) to issue permits based upon the best science available as well as encourage Alaska's cruise industry to continue to use the most updated technology to treat wastewater discharges.

ATIA appreciates your support of Alaska's visitor industry.

Respectfully,

Kirk Hoessle
Chairman of the Board of Directors
Alaska Travel Industry Association
