

Hi there,

I hope this letter finds you all well and working hard for us down in Juneau. Thanks for your service to our great state.

I am writing in support of re-confirming Kelly Vrem to the Big Game Commercial Services Board (BGCSB). He is a great asset to the board and to the commercial services community. He has made great strides in getting the BGCSB back in good financial standing to make it economical for the state and the tax payers. I would be happy to answer any questions or concerns, although I cannot think of any reason why Kelly should not be reconfirmed.

Thanks for your time, support and service on this issue and to our State.

Sincerely,

Steve H. Perrins II
